TAX MONEY  
SPENT  
ON THE  
ARTS  
DOESN'T  
AFFECT  
ME

# Fact:

The arts impact your life constantly – the book you read to your daughter when she goes to sleep; the music that pumps you up when you're running; the design on your favourite t-shirt; Federal arts support helps artists while they're starting out: writing that book; working to get their music on the radio, or creating a portfolio.
