Alberta Craft Council

In the past 5 years my Alberta Craft Council has organized

- 79 exhibitions in Edmonton and Calgary
- 5 touring exhibitions seen in more than 100 rural communities
- 9 exhibitions elsewhere in Canada
- 4 exhibitions in the United States and South Korea

My Alberta Craft Council exhibitions are at risk because in 2009 your government cut arts funding by \$5 million.

I urge you to restore funding to the Alberta Foundation for the Arts, and to keep your campaign promise to improve arts investment throughout Alberta.
